

# CALL FOR PRESENTATIONS

## 2017 NCATC Fall Conference October 19 – 20 • Portland, OR

### ***“What’s Next: Innovation-Driven Workforce Transformation”***

---

NCATC conferences are well-known for sharing innovative ideas and promising practices in breakout sessions and during networking time provided for attendees. Your willingness to be a presenter and to share your expertise and experiences makes NCATC conferences even more valuable. You are invited to submit a proposal for a forum session (45-minutes in length) that supports the conference theme, *What’s Next: Innovation-Driven Workforce Transformation*, and aligns to one of the five program strands listed below.

#### **2017 Fall Conference Program Strands:**

- **Emerging Technologies**
- **Work-based Learning**
- **Advanced Manufacturing**
- **Talent Development**
- **Strengthening Partnerships**

Presenters are strongly encouraged to engage session participants in activities and meaningful discussion and provide tools participants can use immediately.

**Audio/Visual Note:** All breakout rooms will be equipped with a data projector and screen. You are responsible for bringing your own laptop and providing handouts.

**Proposal Submission Deadline: August 31, 2017**
